## Do I Need to Wear a Mask?

**YES!** The Pima County Board of Supervisors enacted a countywide public health protection resolution **requiring** the wearing of face coverings when in public if

six (6) feet of physical cannot be maintained. The rule applies to everyone over the age of 5.

## Does My Pet Need to Wear a Mask?

**NO!** There is no scientific evidence that face masks protect pets from infectious diseases or air pollutants. And mask may create breathing difficulties.

## Wear a Mask & Support SNS

In these unsettling times, SNS is pleased to be able to continue providing spay and neuter services. To raise money for our Pretty Boy McTavish fund, our longtime, wonderful volunteers, Cher and her Mom, Sherry are sewing comfortable,

beautiful masks. All masks are 100% handmade and steam-cleaned.

Visit us on [Facebook](#) to see the variety of patterns available. Any donation is welcome. Please add \$2.00 for shipping and handling. **HURRY**, they're going fast!

## From Katie

Dear Supporters.

An unprecedented six months is behind us. I hope you and your loved ones were able to avoid COVID-19.

While many companies were forced to close, we were working in high gear. The number of applications for our financial assistance grew during these months and I am proud to announce that we were able to help all who asked for our help. We closed our Fiscal Year on June 30<sup>th</sup> and the statistics show that this year was the busiest one yet.

We have an exciting new partnership with the Humane Society of Southern AZ (HSSA). Read about it on page 2.

I want to say thank you from the bottom of my heart for your commitment and support of our mission.

Keep calm, spay and neuter on,

*Katie Powers,*  
President

**EVENTS ON HOLD** - Our events are on hold due to the pandemic. As events are rescheduled, details & locations will be posted on [Facebook](#)

## SNS & HSSA Partner for Cats

Recognizing the increasing need to provide spay/neuter services to community and owned cats, SNS and the Humane Society of Southern Arizona (HSSA) will be working together to provide these services.

Community Cats produce 80 percent of the kittens born in the US each year. Partnerships like this one are a humane and effective way to reduce overpopulation.

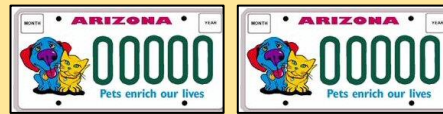

This partnership will allow SNS to expand our Community Cat program which is currently providing spay/neuter services to Community Cat caretakers for \$5/cat.
