Miracles Do Happen

I started Spay and Neuter Solutions a little more than 18 years ago, in 2003, with the dream of reducing the number of homeless animals and needless suffering in our community. The first donation we received was \$35 from my neighbor. I was so excited and happy I was dancing around the house. In the first year we raised \$16,146. We attended street fairs, church parties and all available fundraising sites in Tucson. I applied for every possible grant out there. The second year we doubled our income and after that we were blessed with even more donations.

Over the past 18 years we have raised \$1,634,791. **Yes, over one and a half million dollars!** We have never taken any pay, we spend very little money on office supplies and printing: the money goes to spay and neuter for low-income residents' cats, dogs, rabbits or potbelly pigs (7 so far). We have financed over 27,000 surgeries. As we have grown, we have extended our services to help with much needed medical care as well. Today, we are blessed to have the Steve Correll Spay and Neuter Fund, the Bonnie Kay Cat Medical Fund, the Roberta Wright Dog Medical Fund and the Pretty Boy McTavis Feral Cat Fund. We could not have done this without YOU! You, who share our commitment and partnered with us to further extend ours. Let's keep working together as we go into the new year!

SNS to the Rescue!

Lucky (L) and Boo

Lucky is in desperate need of help:

My neighbor's dog, Lucky, needs assistance. We have been to an emergency hospital to get his bladder drained two times. He needs to be neutered but at same time needs a stone removed from his urethra. I have helped with the cost at emergency hospital and getting some fees waived, but I am indigent as well.

Katie Replies:

Our **Roberta Wright Dog Medical** is there for situations like Lucky's. We are happy to be able to help.

Boo needs to be spayed and have her rabies vaccination:

I am looking to get my four-month-old feral kitten, Boo, spayed and vaccinated for rabies. My husband and I do not have the funds to pay full price to get her spayed.

Katie Replies:

SNS can help you and Boo. Our **Pretty Boy McTavish Feral Cat Fund** and **Steve Correll Spay and Neuter Fund** provide for spay and neuter of feral cats. You can take Boo to one our participating vet clinics for a no cost spay and rabies shot.
