Charlie's Story

Charlie and I (Katie Powers) found each other at the end of August this year. He was being fostered for PACC by my best friend, Anita. I wanted to help to find a good home for Charlie and walked him often on an "adopt me" leash. During these walks, I realized how smart and well behaved he was. I couldn't understand why nobody wanted him.

After about two weeks I felt a bond with him and I asked for a sleepover. The next day I signed the adoption papers and since that day we have been best friends. ❤️

Dear SNS Supporters,

Our last free spay/neuter event in Oracle was on December 2, 2023. People started forming a line at 4 am since the sign-in and registration was on first come first served basis. The dedicated volunteers of [Oracle Animal Rescue and Rehabilitation](#) talked to the arrivals and handled the paperwork. By 5:30 am the event was full and unfortunately, we had to turn away at least twenty pet owners.

Forty-five surgeries were performed by Dr. Karter Neal, owner of [Santa Cruz Veterinary Clinic](#) and Board member of the clinic's non-profit wing, [ASAVET Charities](#), a mobile clinic. Our gratitude goes to her and her excellent staff.

These free Oracle events have been sponsored year after year by our [Steve Correll Spay and Neuter Fund](#). We are very grateful for this Fund's long-time support.

We encourage you to donate to the above- mentioned nonprofit organizations, so these events can continue.
