## 19 Years

## 29,651 Spays & Neuters

Spay and Neuter Solutions closed its 19<sup>th</sup> fiscal year with an unprecedented high number of financial supports for spay and neuter surgeries as well as for medical help for the sick and injured pets.

Our ever-popular, \$5-only-copay Testicle Festival program generated 2,084 applications and while we approved ALL of them only 1,461 pet owners took advantage of the special.

The total number of surgeries in the 2021-2022 FY is 2,338 and our nineteen-year total is 29,651. We could not have done this without the [Steve and Melinda Correll Spay and Neuter Fund](#).

I do not want to bore you with more statistics, but I must give special attention to our TNR and medical assistance programs. The 349 community (feral) cats are forever grateful for your support. Using our [Pretty Boy MacTavish Fund](#), we made their life more comfortable; being altered and vaccinated they are safer and healthier in the Arizona heat.

In addition to the spay and neuter surgeries, our [Bonnie Kay](#) and [Roberta Wright](#) Medical Funds enabled us to help 140 sick and injured pets and their owners.

Most of you reading these lines have been our supporters for a long time. We appreciate your trust and commitment to partner with us for improving the health and wellbeing of the animals in our community.

## 2022 Events

For current schedules & details, visit us on [Facebook](#)

**ASAVET Charities' Mobile Clinics** – For residents in the **Oracle area only**. September 17 and December 10 we're partnering with the wonderful Dr. Karter Neal for free spay/neuter surgeries. First come, first serve.

### Ethan and Cheshire Cat

Like Cheshire Cat in *Alice in Wonderland* who is thought to be Alice's guiding spirit, Ethan's Cheshire Cat is there to help guide him through the challenges of growing up. When Cheshire Cat needed a polyp removed from his ear, Ethan wanted only the best for his beloved cat.

The SNS medical funds paid for Cheshire Cat's ear surgery and our spay and neuter funds financed his neuter. Now Cheshire Cat is grinning just like his namesake.
